

GETTING MONEY FOR YOUR COMPANY HAS NEVER BEEN EASIER...

YOU COULD HAVE A  
**\$5,000 TO \$500,000**  
LOAN IN LESS THAN A WEEK!

At Westshore Mortgage & Investments Co.'s Business Loans Division, we help small businesses like yours get loans every day. We offer a high-quality alternative to banks for getting the capital you need to help your company grow. With a business loan you can:

- Renovate your office space
- Boost inventory
- Upgrade your technology infrastructure
- Launch a new advertising campaign
- And more!

## CREATED WITH BUSY ENTREPRENEURS IN MIND

Traditional bank loans can be sluggish, and often times, deserving small businesses get turned down. That's why we've set-up a no-hassle application process to make loans simple for business owners like you:

- All credit histories considered
- No complicated paperwork
- Quick approval times (24-48 hour & same-day)
- Loans from \$5,000 to \$500,000

## ELIGIBILITY

Unlike banks, we don't require a formal business plan or collateral. If you answer yes to the following questions, you are eligible:

- Do you have bank statements for the past four months?
- Have you been in business for at least one year?
- Do you have \$10,000 per month in gross sales?

## DON'T WAIT ANOTHER DAY

In just minutes, you could be on your way to a renovated office space, state-of-the-art technology, and sophisticated advertising campaigns that make your business stand out and keep customers coming through your door.

Get cash in your bank account in 7 days.
